

## VCF377

### Cabin Filter Location

#### Makes/ Models

Filter Type: Carbon

#### Mercedes

Viano All models (1/04 -)

#### Mercedes-LCV

Vito 0 All models (9/03 -)

Difficulty: Medium  
Time (Approx): 20 Mins

1. The filter is located underneath the passenger footwell against the centre console.
2. Remove the cover/lightgrey panel lying against the centre console to uncover the filter housing.
3. Slide the cover away to access the cabin filter.
